Dear Scholarship Committee,

Thank you so much for the AMTI scholarship! I'm going to be honest and let you know how much I was really doubting myself and how I would juggle my major, social work, while continuing the passion I was only able to find through AMTI,

hematology. Getting this scholarship not only pushed me into following what I love but gave me some of the tools to really accomplish it. My dream will be a reality thanks to this and I couldn't be more grateful. Thank you for believing in me!

Best,

Alexis Caez
